## DRAFT ORDINANCE

**WHEREAS**, on May 5, 2014, the City of Forest Grove Planning Commission adopted a motion and recommended that the City Council adopt the Plan; and

**WHEREAS**, during May 2014, the City provided notice of the hearings to be held before the City Council on the Plan, including the required statements of ORS 457.120(3), to all City utility billing customers pursuant to 457.120(1)(c); and

**WHEREAS**, on June 9 and June 23 the City Council held public hearings to review and consider the Plan, Report, recommendation of the Planning Commission, and the public testimony received; and

**WHEREAS**, the City Council finds the Plan complies with all requirements of ORS Chapter 457 including ORS Chapter 457.095(1) through ORS Chapter 457.095(7):

1. The area identified in the Plan as the Plan Area meets the statutory definition of “blight” as defined by ORS 457.010(1) and is therefore eligible for inclusion in the Plan due to: depreciated land and improvements values, obsolescence, deterioration, mixed character and shifting of uses, the existence of inadequate streets and other rights of way, open spaces and utilities, and a growing lack of proper utilization of land resulting in a stagnant and unproductive condition of land potentially useful and valuable for contributing to the public health, safety and welfare of the City;
2. The rehabilitation and redevelopment described in the Plan to be undertaken by the Agency is necessary to address the conditions identified above by removing barriers to private property investment, improving general economic conditions and promoting increases in property values;
3. The Plan provides an outline for accomplishing the urban renewal projects described in the Plan;
4. The Plan conforms to the Forest Grove Comprehensive Plan generally and the policies, goals and objectives of the Land Use, Housing, Economic Development, Urbanization, and Sustainability chapters specifically. The Plan also conforms to the Forest Grove Economic Development Strategy including recommendations to promote development on vacant land and establishing an urban renewal area;
5. The Plan does not include provisions to acquire real property, and therefore no residential displacement is anticipated as the result of real property acquisition or disposition and redevelopment activities proposed in the Plan;
6. Adoption and carrying out the Plan is economically sound and feasible; and
